VISION OF THE COLLEGE

The vision of Gushkara Mahavidyalaya is to emerge as one of the leading academic Institutions in the region where knowledge and skill complement each other and competence leads to confidence among the prime beneficiaries, that is, the students.

“তাহাকেই বলি শ্রেষ্ঠ শিক্ষা যাহা কেবলমাত্র তথ্য পরিবেশন করে না,
বিশ্বসত্তার সঙ্গে সামঞ্জস্য রেখে মানুষের জীবনকে গড়ে তোলে”
- রবীন্দ্রনাথ ঠাকুর

**General Rules and Information regarding Admission in
1st Semester – 2022**

Gushkara, the Place

Gushkara is a sprawling Municipal town in the northern part of Burdwan Sadar Subdivision. To the north of Gushkara lies Santiniketan where poet Rabindra Nath Tagore spent most of his creative years. The district town of Burdwan is to the south of Gushkara which is flanked on the east by Bhatar and Mangalkote and on the west by Jangalmahal. Kunur, the major tributary of the river Ajay, flows through the town. Archaeological findings have established that human habitation in the area surrounding the confluence of Ajay and Kunur dates back to at least three thousand years. Gushkara is now an important rail station in the Burdwan-Sahebganj loop line. It is situated at a distance of 128 km. from Kolkata.

GUSHKARA MAHAVIDYALAYA

Thanks to the missionary zeal of the eminent academician late Rakhahari Baksi and generous support from the prominent citizens of the locality, Gushkara Mahavidyalaya was founded on the 9th of August, 1965. The college campus, covering an area of 7.7 acres was donated mostly by Gushkara P.P. Institution. It is situated close to the banks of the river Kunur.

Gushkara, Galsi, Mangalkote, Ausgram and Bhatar constitute the catchment area of the college. By virtue of road and rail communications, a large number of students from such far-flung areas as Durgapur, Katwa, Memari, Bolpur and Bardhaman flock to the college for pursuing their studies leading to Bachelor's degree in various disciplines.

Bringing the fruits of higher education to an agrarian belt has been a primary aim of the college since its inception. No wonder then that a sizable section of the students of the college are first generation learners belonging to Scheduled Caste, Schedules Tribe and Minority Communities.

Gushkara Mahavidyalaya is affiliated to the University of Burdwan. The Institution offers UG courses in Arts, Science and Commerce. At present there is provision for teaching seventeen subjects out of which fifteen, Bengali, Economics, English, Geography, History, Philosophy, Political Science, Sanskrit, Botany, Chemistry, Mathematics, Nutrition, Physics, Zoology & Accountancy are taught at the Honours level. In addition, General courses for the above-mentioned 15 subjects, Music and Physical Education are also offered. The College also offers Post Graduation Course in Bengali and Certificate Course in Yoga. The college will soon open a Study Centre under the aegis of Netaji Subhas Open University.
